Nicole's special selection

Blériot has just started

This exhibition traces the life of Louis Blériot, featuring in particular on the years he spent in Cambrai, his research into aeronautics and his crossing of the Channel. It also deals with the many and varied aspects of the person of Louis Blériot : the great industrialist who was a product of the Ecole Centrale, the aircraft designer and also builder of furniture, motorbikes and cars [after the First World War](#)

L'escargotière

Fancy a typical French experience...get a thrill out of eating snails from aperitif to dessert at the snail farm near Desvres.

From July 1st to August 15th, Emmanuel invites you to discover his snail farm and the countless ways of cooking them. I know that some of you might say: "Oh my God, what is going on with Nicole!" but I promise you won't regret it and anyway it will be a nice experience to share with friends when back to England. Cité Internationale de la Dentelle et de la Mode, Calais

Cité Internationale de la Dentelle et de la Mode de Calais (the International City of Lace and Fashion of Calais) has open its doors to the public on the site of a former lace factory, in a structure typical of the industrial architecture of the town of Saint-Pierre in the 19th century. More than just a museum, bearing witness to the industrial history of Calais and Saint-Pierre and of the tulle and laces that brought them renown and wealth from the early 19th century, the International City of Lace and Fashion of Calais is also an activity and discovery venue. Air show 18th July 2009 - Cambrai

The special one-off air show will be held at Cambrai-Niergnies airfield and will be the crowning event in the celebrations in honour of Louis Blériot. If Louis Blériot was unable to take off from this airfield to demonstrate the flying capabilities of the Blériot XI during his visit to his native town in 1910, it was simply because the airfield did not exist.
