

Nord-Pas de Calais Real France Real close

Hi Véronique, it's Nicole

Nicole's inspired breaks...

This month, I am inviting you to celebrate spring and its wonders on nature and the countryside. Come admire the "outstanding gardens" in Pas de Calais during the national opening of all parks and gardens, the plants and flowers exhibition in Le Touquet, and have a taste of fresh farm fruit and vegetables.

I did not forget your taste for culture and have therefore highlighted several artistic events taking place in April, May and June. The Piffaretti exhibition at the Matisse Museum and the stunning Goya's Caprichos at the Palais des Beaux Arts in Lille will dazzle you!

And as always, I am giving you the best places in the region to sleep and discover amazing French dishes!...
