New top-of-the-range bed & breakfast in the heart of Lille

The Maison Théodore, two new guest rooms or rather suites, has just opened in Lille. The owner, Chantal Boyeldieu Duyck is very welcoming and is a fashion designer. She loves contemporary art and her house is nearly a "showroom..." Its resolutely contemporary décor and furnishings blend in well with the ambience of the impressive 1896 house, a haven of peace and tranquillity for a weekend break or even a business stay with all modern facilities and amenities.

The new place to stay in Lille !
